

# BRIGHTON MARINA YACHT CLUB

January 2020

Pictures from Frostbite 2020 race 1... we have lost lots of sailing this Winter with our extreme weather, but the Frostbite series is continuing this week hopefully. Thanks as ever to Kevin, our photographer from Admiral Jack.

The Frostbite Series got off to great start on Sunday 6<sup>th</sup> January with 11 boats enjoying some good racing in 10-12 knots of wind. From a crowded first windward mark Paul Farrand's Revive were the quickest to hoist a spinnaker and stormed into the lead to win the IRC class with Twisted second and Diamonds4ever 3rd, but in the NHC class Twisted got the first, followed by Kokomo and Brainwave. BMYC is the only club in Sussex that offers all year round weekly IRC and NHC class racing and this, coupled with the the quick and easy access from moorings to the start helps to maintain the quality racing that the Club offers.
