June 2019

A fabulous marina sunset...thanks for the pic
Mark Ellarby.

Royal Escape Race....Friday 24th May

A bit of history...

Prior to the execution of his father, the future Charles II had been taken aboard a frigate and allowed to steer the vessel. This was his only experience of sailing boats prior to the adventures of 1651.

Following defeat in the Battle of Worcester and the six-week circuitous and hazardous journey through England, Charles arrived at Shoreham. There, the wheeler dealer owner of the 34 ton coal brig "Surprise", Nicholas Tetterzell, agreed to take Charles to France for a payment of 60 silver coins as long as he provided a cover story to his very small crew to protect him from subsequent punishment by Cromwell's forces.

The voyage of Prince Charles in The Surprise is commemorated each summer by the Royal Escape Race organised by the Sussex Yacht Club operating from Shoreham – <http://www.royalescaperace.co.uk/>.

A fleet from BMYC set out on Friday, pictured top right by member Ian Courtier. Line honours went to our very own Redeye, completing the course in 12 hours, 50 minutes, and winning the IRC 1 trophy (right). BMYC also came 3rd with Phezulu, 4th with Cola's Arc and 6th with Revive in IRC 1. Mystery Machine came in 6th in IRC 2 and Summation in 8th. Silver Fox also completed the crossing, but fell foul of the tide at the finish.

Non-Vegan

4th Course

Mescal Avocado Cheesecake
Served with lime cream and a mescal syrup drizzle
Vegan

Cruising Update

Current plans from Chris Woods.... Rear-Commodore Cruising

BMYC Cruising– We have finalised plans for the BMYC Summer cruise from Brighton on Sat 27th July to Fowey and back to Brighton arriving Sunday 11th August.

Passage Plans are complete for visits to Gosport, Lymington, Weymouth, Dartmouth and Fowey going west and then Brixham, Weymouth (maybe Portland), Yarmouth, Cowes (if space available) and Gosport on the way home - hopefully catching a bit of the SailGP F50 racing in the Solent on the final weekend.

Boats are welcome to join for all or part of the cruise but in order for us to book discounted berthing and to get an idea of general numbers please register your intention to join by sending an email to me at cruising@bmyc.uk . I will then organise a meeting at the BMYC clubhouse where we can finalise details.

I hope you will support us in our strategy to build the BMYC Cruising fleet.

Also we will have a Cruising workshop on Sat 22nd June - Practical Boat Navionics, Instrumentation and Apps with the objective to impart enough knowledge for a) simple fault finding with practical examples b) those wanting to add a new piece of kit (possibly a different make or generation) and c) what and how to make use of some of the navigation Apps currently available.

Racers and Cruisers Sussex Combined Clubs Regatta 8th and 9th of June

Come and join us for the Sussex Regatta organised jointly by Brighton Marina, Sussex and Sovereign Harbour Yacht Clubs. The event is open to all and we welcome yachts from other Sussex clubs or further afield to join us. Please visit <https://thesussexregatta.uk> for more information.

The regatta will have something for everyone. For the committed racer we have a full programme of races with a professional race officer - these will be dual scored under IRC for the committed racer and NHC for those of you that only race occasionally or do not want to go the expense of rating under IRC. The NHC scoring system means that everyone has a chance of success provided that you sail to the best of your abilities. We are also running three pursuit events over the weekend for those of you that don't want to compete in the main regatta. Pursuit races are ideal for those of you who don't feel confident to take part in the full regatta and are an ideal way to dip your toe in the water of yacht racing. More details at

<https://thesussexregatta.uk/>

A friendly reminder to all members. It is not permitted for you to let your guests use your club membership card in order to obtain discount. It's simply not fair. Bar staff may confiscate cards if they see this happening.
