

SECOND COVID LOCKDOWN

2nd November 2020

Dear Members,

Due to legislation that looks certain to pass through Parliament this week, I have to tell you that the Clubhouse will be closed from normal closing time on 4th November until, provisionally, 2nd December. Penny and Chris of The Watershed are investigating whether a click and collect type takeaway food and drink service is allowed and viable. There will be further news about this when possible.

Racing is suspended for the same period, as all our race boats sail with crews of more than two, and from more than one household.

Members who sustain their membership through this period will have their membership extended by a month, free, into the next membership year.

To date we have no information on any access restrictions to be applied by Premier. Berth holders will receive any announcement they may make as soon as the Club does.

I very much hope to see you on the water or in the Clubhouse in early December.

Yours, hopefully,

Michael Holmes

Commodore
