

BRIGHTON MARINA YACHT CLUB

Autumn 2021

Hello! Welcome to the latest newsletter.... Sorry to have missed last month... it was a bit busy!

We held our first Club Class since lockdown #1... a great bunch of people who took part with energy and enthusiasm, and many of them are already heading out on Sunday mornings to join in with racing.

A date for your diary

FRIDAY, 7 JANUARY 2022 AT 18:00 An Evening with Paul Heiney
Brighton Marina Yacht Club

Save the date and watch out for further details of our “an evening with” event/s for the New Year - we will be offering tickets (includes dinner) for the first of these by Paul Heiney, who following a long and successful career in broadcasting has turned his hand to ocean sailing in recent years. He recently voyaged to Iceland which is the subject of his latest book, ‘Farewell Mister Puffin’ and he will tell us about sailing in the high latitudes of the north Atlantic - more details to follow.

Racing News

Round-Up on Racing

We had another good turnout on Sunday for Race 4 of the Autumn series, with a dozen yachts on the start line at the slightly later time of 1030 in conditions very similar to the previous weekend.

A fresh Southerly wind was making the area around the marina entrance and BMYC 1 quite lumpy. The fleet started at the marina arm and BMYC 1 heading East to BMYC 4 with the flood

tide, turning upwind toward BMYC 3 before a very deep kite leg back to BMYC 1. The tide played a big part in gybe and upwind headings as everyone was swept East. Heading on to BMYC 2 before tacking back to BMYC 3, the race finished at the marina arm and BMYC 1. Well done to Imadjinn in third place, Joustier in second and Diamonds4Ever in first, making it her second IRC win in as many weeks. Great effort!

Views from the arm. Thanks Kevin

Our thanks to the Race Management team, scorers, and Race Officer Silver Fox for setting the course, ringing the bell, and announcing the results on the Club deck.

A special thank you to Janice for all her hard work in organising prize giving, distributing the trophies glassware after racing.

We are now in touch with Rear Commodore House to look into the possibility of Race Day breakfast menu and hope to be able to update you soon.

vRacing

Super team effort from team Yellow delivering a 6-0 score line in the vBMYC Team race on Wednesday. Despite some strong fightbacks from team Blue the Yellows were able to do just enough to keep control in every race.

Many thanks to our vRO Richard BG, for organising and congratulations to this week's team Yellow, Alyson W, Eoin M, and Greg D, Go Team!

Don't get left behind

Full details of BMYC racing events can be found on the 'Racing > Racing Information' Page of the BMYC website.

For each race series a Link to the Online Entry/Payment portal is in the Notice of Race.

Club News

We are changing the opening hours at the club for the Winter. This will mean that the club will be open Thursday to Sunday from 12:00. For full details of the opening hours please go to:

<http://bmyc.uk/the-club/>

The full menu will be available as normal and there's a tasty new Autumn menu being released next week. The weekly quiz has moved to a Thursday and live music will continue on Fridays for Club Night.

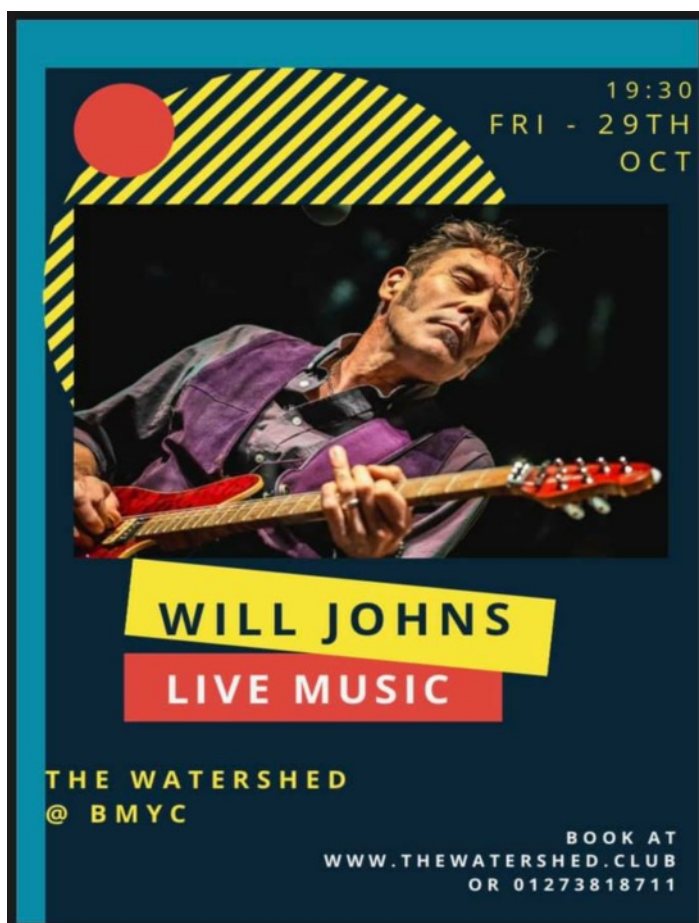

Table Bookings

Please continue to use the booking system on The Watershed website if you would like to make a table reservation. It is also really important when you do that you always quote your membership number when booking tables, particularly at busy times, for events and if you're dining with us as this means that you will always have priority for table bookings and won't have to pay the £5 deposit for booking.

Meanwhile.....LIVE MUSIC

Tomorrow evening sees the return of @willjohnsmusic

Be sure to head on down to see the musical blues master at work! Start : 19:30, either book a table through our website or give us a call on 01273818711 [The Watershed at BMYC](#)
