### Roundup on Racing Sunday 12<sup>th</sup> December

The sun threatened to break through the mild but overcast morning as nine boats left the Marina to compete a two-race programme (Race 4 and Race 5 of the Winter Series) at 10.00. Conditions were once again testing with the wind at the top end of the forecast and the sea state was not helped by the south-westerly opposing the ebb tide.

With strong gusts barrelling through and the waves building, the duty Race Officer (Jee Force) changed the programme to a single race.

Our thanks to the Race Management Team and duty Race Officer on MV Admiral Jack for braving the rather lumpy conditions, setting the course and remaining on station for the duration of the race. A fine

drizzle welcomed the race fleet back to the pontoons and that meant there was a great atmosphere in the clubhouse as skippers and crews did their customary post-race debrief, the results were announced and Neilson wine prizes awarded.

Well done to all competitors. Some great racing spirit was shown across the fleet and congratulations to Brainwave in third, Laughing Fish in second and Diamonds 4 Ever in first place in IRC after leading almost the entire way. Well done too to Ekaterina in third, Diamonds 4 Ever in second and Blue Bird in first in NHC.

Great photos from Admiral Jack  
Thanks as ever Kevin..... It can't  
have been comfortable on AJ on  
Sunday!
