Round The Island

The Race 2019

The story of the Race 2019.... Only 283 finishers out of 1210 entries..... Not sure if this is a record! Many boats were faced with very light or no wind on the Eastern side of the island and facing not getting back by the cut-off time of 10:30, put engines on.

BMYC were represented by Imadjinn, Redeye, Mad Max, Kokomo, Cola's Arc, Revive, Phezulu, Arcadian, Zest, Brainwave, Silver Fox, Diamonds for Ever, Hard Target and Mystery Machine... Baradal were also entered but couldn't make it to the Island due to a boat issue. Hard Target had some Hard Luck.... being hit by another boat before the start and damaged too much to take part.

Many congratulations to all the competitors who took part. Those who finished had some impressive results:

Top Boat in BMYC, was Imadjinn, 1st in IRC 2C and 50th overall. Our second boat was Arcadian- 9th in IRC 2B and 92nd overall.

Also we have

	Class	Position in Class	Overall Position
Redeye	1C	7 th	118
Mad Max	1A	12 th	131
Kokomo	1C	14 th	138
Cola's Arc	1C	15 th	146
Revive	1C	17 th	154
Phezulu	1A	16 th	158

Also well done to all members who raced on other boats which took part.

Please find below the results of the Pursuit Series following event 1 on Sunday, 7th July 2019

Boat	Type	Event 1	Event 2	Event 3	Event 4	Score

A little damp as the first boat started at 11:40 hrs and wind uncertain. As the morning moved on the rain subsided and the wind held at a steady circa 12 Kts. All in all a pleasant Sunday morning on the water – After 100 minutes we returned to the clubhouse for a warm welcome and sustenance courtesy of Malcolm's crew.

Three further events to decide the series – Plenty of room for those who would like to join us, perhaps, next Sunday.

Cruising Update

Current plans from Chris Woods.... Rear-Commodore Cruising

BMYC Cruising– We have finalised plans for the BMYC Summer cruise from Brighton on Sat 27th July to Fowey and back to Brighton arriving Saturday 10th August.

Passage Plans are complete for visits to Gosport, Lymington, Weymouth, Dartmouth and Fowey going west and then Brixham, Weymouth (maybe Portland), Yarmouth, Cowes (if space available) and Gosport on the way home - hopefully catching a bit of the SailGP F50 racing in the Solent on the final weekend.

Boats are welcome to join for all or part of the cruise but in order for us to book discounted berthing and to get an idea of general numbers please register your intention to join by sending an email to me at cruising@bmyc.uk. I will then organise a meeting at the BMYC clubhouse where we can finalise details.

I hope you will support us in our strategy to build the BMYC Cruising fleet.

Club Class Autumn 2019

Our twice yearly yacht racing experience will be happening again in the Autumn. From September 14th there will be 5 Saturday morning sessions where our skippers bring their boats and crews along to give new members experience on boats from our racing fleet. Many new members get into racing this way; others enjoy the sailing experience and opt to take part in cruising. Some buy their own boats and welcome others on board to sail.

Many of our club classers join up with us having heard about it from current members... for more information, go to bmyc.uk/clubclass.
