Racing update

We've had the Dieppe Dash and the Royal Escape in the last month... both were notable for lack of wind! Many boats in both races had to turn on engines or turn back. Congratulations to Summation for 1st place in the SCCH class and for

Baradal for 3rd place in the Dieppe Dash in the IRC class. Saga, Bla Bheinn, Kokomo, Kereru and Silver Fox also took part.

In the Royal Escape, congratulations to Mad Max for coming first in IRC and getting line honours. Summation repeated their Dieppe Dash success, coming 1st in SCCH with Kereru in 3rd. Kereru were also 3rd in the 'short-handed' fleet. Also taking part were Arcadian, Kokomo, Phezulu, Silver Fox and Bla Bheinn.

Summation and Mad Max en route for victory on the Royal Escape.

Social Update

Club opening hours from 14^h June

Mnday -Saturday 12:00-23:00

Sunday open from 08.00-22.00

As you know we have been searching for a replacement franchisee for the bar and galley operations, and I am delighted to share the appointment of Malcolm and his team. He has added a personal note below, and I am sure you will all wish him success in his new role, and support him and his team at the Club.

I know many will be disappointed to see Julie leave, and I am sure you will join me in wishing her all the best for her future adventures and also for the hard work she has dedicated to our Club and its members over the years. Julie will be hosting her leaving and birthday party on Saturday 9th June and as we know she hosts a great party. Malcolm and his team have some prep work to complete so the Club will be closed for a few days and he plans to open on Wednesday evening 13th June. More information below.

Dear Members

We would like to take this opportunity to introduce ourselves to you. My name is Malcolm and I have worked in the hospitality industry for over twenty years. Along with my wife Karen and bar manager Ryan, we will be working hard together to

ensure a smooth transition. We would very much like to thank Julie and wish her all the luck in the future.

The club will be closed Monday 11th and Tuesday 12th June and will reopen Wednesday 13th June at 4 pm, we would like to invite you all for a free glass of bubbly and nibbles to meet the team. After discussions with board members, we have agreed to significantly increase trading hours. As of Thursday 14th June we will be open from 12 pm daily and to entice you in we will be offering a new seasonal set lunch menu and various drinks deals. Over the coming months we will be introducing new beers, wines, real ales, craft spirits, as well as coffees and soft drinks.

Brighton Marina Yacht Club is your club, and feedback is critical for us to deliver you a first class service so we are open to suggestions from members.

We are very excited about the future of BMYC and look forward to meeting you all soon.
