## Social Committee

A chance for you to get involved with the social programme which the club runs...

We would like to put together a social committee with members that would be interested in putting forward ideas for events and changes for the club.

It's a great space to host events and as members you have access to potentially use it for things you may like to put on or see on a regular basis.

We will be looking to host a meeting in the next few weeks, so anyone that is willing to give their time to be on the committee, or wants to simply put forward any ideas, please contact [bar@bmyc.uk](mailto:bar@bmyc.uk).

The first committee meeting will be on Thursday 6th December at 7:00 pm
