Thanks as ever to all our Club Class team who turn out week on week to help. We had great support from skippers, crew and boats. Thanks all from Baradal, Diamonds4Ever, Summation, Silver Fox, Jee Force, Redeye, Cola's Arc, Twisted and Revive who came along to help.

Is it a record?

Jee Force crew.... They worked out they had a combined age of 324 years that week! Can you out-age them? Or maybe which is our youngest crew?
