

# BRIGHTON MARINA YACHT CLUB

November 2021

Hello! Welcome to the latest newsletter

It's great to be back again after our brief hiatus due to a staff changeover. A huge welcome to Enfys and Trevor who you will be seeing a lot of in the club . See page 3 for more details and a look at our newest menu.

A date for your diary

**FRIDAY, 7 JANUARY 2022 AT 18:00** An Evening  
with Paul Heiney  
Brighton Marina Yacht Club

Save the date and watch out for further details of our “an evening with” event/s for the New Year - we will be offering tickets (includes dinner) for the first of these by Paul Heiney, who following a long and successful career in broadcasting has turned his hand to ocean sailing in recent years. He recently voyaged to Iceland which is the subject of his latest book, ‘Farewell Mister Puffin’ and he will tell us about sailing in the high latitudes of the north Atlantic .

Bookings now open: go to the link on our website at

## Racing News

### Round-Up on Racing

#### Up and Coming Events

Please take a look at the 'Racing > Racing Information' page of BMYC website for the Notice of Race and details of racing.

Racing at Brighton over the next week or so will be:

Winter Series 2021 - Sunday, 21 Nov-21 - 10h00 Start

Winter Series 2021 - Sunday, 28 Nov-21 - 10h00 Start

Great photos from Admiral Jack  
Thanks as ever Kevin

#### Roundup on Racing

Another fantastic turnout on Sunday for Race 1 of the Winter Series, with 16 boats heading to the starting line at BMYC 6 on a mild and slightly overcast day with a moderate to fresh breeze that was just west of north. Conditions were flat and that made for some fast sailing as the boats cleared the line heading upwind to BMYC 1 followed by two fast spinnaker legs, out to BMYC 4, gybing then back to BMYC 3 before looping upwind again to BMYC 1 leaving BMYC 6 to port.

More wonderful tactical sailing was called

for as the wind swung, gusted, and faded in a game of snakes and ladders, the fleet then looped from BMYC 1 back to BMYC 6 and back again to BMYC 1 to finish and beat a falling tide.

Our thanks to the Race Management Team and Race Officer (Jouster) for setting the course and a super well done to Mad Max in third, Laughing Fish in second and RedEye taking the wine for first place in both IRC and NHC.

Competition in the BMYC fleet is usually pretty close but this weekend it seemed especially so. It's fantastic to see places 4, 5, and 6 in IRC, and places 5 to 9 in NHC all within one minute of each other. Great sailing.

#### vRacing

Technical problems cut short the Team event for vBMYC racers on Wednesday evening at 1900 with only four races sailed. Many thanks to our vRO Rob I and a very well done to Eoin M, Richard BG, and Alex R in Team Blue for taking three out of four wins.

## Club News

The club is now open Thursday to Sunday from 12:00. For full details of the opening hours please go to:

<http://bmyc.uk/the-club/>

We are back. Thank you for your patience as we resume at full strength.

Lines cleaned, chefs cheffing, first Harvey's customer done, a cosy new spot and a new management team to boot.

Chris and Penny would like to introduce Enfys and Trevor, your new management team at the club. Enfys is a familiar face at the club and recently out on the water too. Trevor joins us next week straight from Taste on the Marina. Both bring a wealth of knowledge and experience and are very much looking forward to welcoming new and existing members as well as visitors.

Live music will be back tonight (Friday) and watch this space for details of The Watershed's Christmas menus, offers and activities incoming. After the difficulties of life and business last December we're so excited to be able to offer hospitality as it should be this winter season.

Thanks again for your continued support.

## FOOD

All our food is made here, from scratch, using fresh ingredients from local suppliers.

Great photos from  
Sunday racing under  
fabulous skies  
Thanks Kevin

## Boatcare Sussex

Local marine engineer, and BMYC member Tim Kingston, has founded Boatcare Sussex: After 25 years' marine engineering in the Royal Navy and years of local yacht brokerage, he found that he was encountering many used boats with needless defects, safety hazards etc. He has founded Boatcare Sussex to help boat owners in general and especially those that may be new to the sector, or lacking in knowledge to combat common issues. If you need **free** advice and guidance and can't visit your boat often enough then you can find out more at [www.boatcaresussex.co.uk](http://www.boatcaresussex.co.uk)
