Autumn Prize-Giving is approaching. On Saturday 19<sup>th</sup> October we will be meeting to celebrate our successes in racing in the Early, Mid and Late Summer series, the Early, Mid and Late Wednesday series, as well as the Pursuit, Coastal, Offshore, and Home Front series.

You will shortly get an email with all the details of the times and menu and how you can join us for this celebratory evening.

## Club Class week 1

Club Class began this week.... It's our twice-yearly 5 week race experience, where our racing skippers and crews take sailors out on their boats and show them the joys of racing. We had a fabulous day of good weather and gentle winds for day 1.

## Traffic Issues and Brighton Racecourse

These are dates when the journey to the club from Brighton via Wilson Avenue may be disrupted by racing

## Admiral Jack

Recently our Race Control boat, Admiral Jack, has been in the boat yard having repairs and improvements - a deck refit - being undertaken by Steve Trigwell and his team. We rely on Admiral Jack and its team to support racing along with racing boat skippers and crews who take turns to act as race officers. The work is progressing well. Great work Steve and helpers.

Remember this? It visited us in September 2016 while we were out at Club Class....it couldn't get in the Marina, so anchored outside. It was called Motor Yacht A was designed by Philippe Starck and was 119 metres long. Sometime after its visit I believe it was sold and replaced with Yacht A.... Just as distinctive but with sails....
